

LifeStance Health to Be Added to Russell 2000® Index

September 14, 2021

SCOTTSDALE, Ariz., Sept. 14, 2021 /PRNewswire/ -- [LifeStance Health Group, Inc.](#) (NASDAQ: LFST), one of the nation's largest providers of outpatient mental health care, today announced that the Company will be added to the Russell 2000® Index, effective after the U.S. market opens on September 20, according to the preliminary list of IPO additions to the Russell indexes. Membership in the Russell 2000® Index, which remains in place until the next reconstitution, is based on membership in the broad-market Russell 3000® Index. The stock will also be automatically added to the appropriate growth and value indexes.

"Our inclusion in the Russell 2000 Index is the latest milestone for our company, following our successful transition to a public company earlier this year," said Michael Lester, chief executive officer of LifeStance Health. "Our inclusion in this index will expand awareness of LifeStance Health within the investment community, as we continue to execute on our mission of improving access to trusted, affordable and personalized mental healthcare."

Russell indexes are widely used by investment managers and institutional investors for index funds and as benchmarks for active investment strategies. Approximately \$10.6 trillion in assets are benchmarked against Russell's US indexes. Russell indexes are part of FTSE Russell, a leading global index provider.
